Principal's Message

Dear Oak Grove Primary Families,

Welcome to Oak Grove School, home of the Blue Jays. I look forward to this new school year where we will be growing, learning, and gaining new experiences together. It is my desire to create an exceptional learning environment where all children can thrive socially, emotionally, and academically. I am committed to and focused on student success and safety while developing a strong community partnership for our students, personnel, and families.

It is important to me, as your principal, that everyone who steps through our doors is excited to be here and be a part of our school. Working together enables us all to overcome any challenges in a positive, fun, and nurturing environment. The faculty and staff at OGP will work to ensure each child has a safe, happy, and successful school year.

This handbook is designed to help build a successful partnership between the school and families by providing you with information about policies and procedures for Ascension Parish School System and Oak Grove Primary School.

As always, please reach out to us with any questions or concerns.

Oak Grove Primary School Rules and Expectations

STUDENT PROFILE INFORMATION

THE IMPORTANCE OF ACCURATE STUDENT PROFILE SHEETS CANNOT BE STRESSED ENOUGH! This is the primary contact source we use to reach you if there is an emergency such as your child getting sick or injured. PLEASE be sure to list <u>anyone</u> (over the age of 18) on your profile sheet that will be allowed to pick up your child from school. **WE CANNOT release a child to anyone that you have not listed on the profile sheet.** You may come to the front office to add or remove people from your list at any time. IF ANY INFORMATION CHANGES DURING THE SCHOOL YEAR, PLEASE NOTIFY THE SCHOOL OFFICE IMMEDIATELY.

LEGAL CUSTODY

If there is a legal custody dispute involving your child, the parent, foster parent, or caregiver who is awarded legal custody of the child by the court or the state must supply the school with a current copy of the court decree. Release of the child from that point forward will be determined by the instructions in the court or state decree. Without such a legal document in the child's file, in accordance with Louisiana law, the child may be released to either parent upon presenting proper identification. Oak Grove Primary School will not intervene, nor take sides in a disagreement between parents as to who shall have custody, who shall be able to visit the child at the school, or who shall be able to pick up the child, until courts have decided the legalities of the issue. One parent instructing staff that the other parent is not to see or receive the child will not be accepted without a current legal document or restraining order. <u>School administrators</u> <u>will only use the current document that is on file at the school</u>.

SCHOOL SAFETY

School safety is of utmost importance at Oak Grove Primary. We work with our campus crisis team members, district crisis team personnel, and local authorities to ensure the safety of our students, staff, and campus through frequent practice of crisis safety measures. The team debriefs after each safety training (formerly called safety drills) to discuss concerns and ways to improve the current practices. Safety training provided for students and staff:

- Fire/Emergency Evacuation
- Chemical Spills
- Weather Emergencies
- Campus Lockdown
- Code Blue (Medical Emergency)

BUS Emergency Evacuation

Monthly Facility Audits are conducted by crisis team members to ensure safety of the campus facilities, as well as procedures for all activities on campus. Furthermore, we have limited access to the back of our school during school hours, as students may be at recess, PE, or engaged in other activities outside of the classroom.

Daily expectations:

- All exterior and interior doors remain locked at all times. The only doors accessible to visitors are the main entrance to the front office.
- All personnel must wear a school-issued ID badge at all times.
- All campus visitors must check in through the front office with a valid photo ID. Visitors must wear their school-issued ID at all times.

TRANSPORTATION

At the beginning of each school year, parents are required to complete a transportation form for their child (children). If changes need to be made to a student's regular mode of transportation, those <u>transportation</u> <u>changes must be made through the office as early as possible</u>. WE WILL NOT ACCEPT TRANSPORTATION CHANGES VIA PHONE, EMAIL, CLASS DOJO, OR FAX. This is for the protection of your children.

ARRIVAL AND DEPARTURE

Supervision is NOT provided for students who arrive before 8:00 AM or remain later than 3:35 PM. Students are not allowed to wait outside unsupervised before or after school hours. Likewise, students are not allowed to wait in the front office unsupervised. Although faculty and staff may be on campus before 8:00 AM or after 3:35 PM each day, they have other duties they may be responsible for and cannot commit to supervising students at this time. Parents who pick up their children from school must do so as promptly as possible. These procedures are designed for the safety and well-being of your child. Please adhere to these time frames. Students who check in late or leave early will be considered absent or tardy from any subjects they miss and a record is kept of all absences or tardies.

BUS TRANSPORTATION EXPECTATIONS & PROCEDURES

Bus drivers utilize the same discipline program on their buses that teachers use in their classroom. The bus driver must insist on appropriate behavior on the bus. If there is a problem with a student, the driver will contact the parent to help resolve the problem. Parental and student cooperation will help make your transportation safe and comfortable. The school bus is provided for your convenience and is a privilege. The student has the responsibility of following the rules and regulations to enjoy this privilege. If a student misbehaves on the bus, the student may qualify for disciplinary action, suspension, or expulsion from the bus. Determination of suspension or expulsion from the bus will be at the discretion of the principal or assistant principal. Students must follow school rules at all times as well as on the bus.

- If your child is nine years old or younger, <u>an adult must be present at the bus stop in the</u> <u>afternoons</u> in order for the child to be allowed off of the bus. If there is no adult visible to the driver, your child/children will be brought back to school and will have to be picked up by an adult on his/her check-out list. If this happens habitually, the child may lose bus riding privileges.
- Bus pick-up and drop off times are estimates and will likely vary from day to day. In order for you to avoid missing the bus, <u>please have your child/children waiting at the bus stop at least 15</u> <u>minutes before the estimated pick-up time</u> that the driver gives you.
- Parents and/or other non-employee adults are not permitted to board the bus at any time.
- Parents are to make sure that bus drivers are aware of any medical conditions experienced by the child.
- No smoking by the driver or students is permitted on the bus at any time.
- Students or the driver may not use cell phones or any electronic device on the bus unless the driver has an emergency and needs to call the school or a parent.
- Misbehavior at the bus stop or while walking to and from the bus stop will be treated the same as misbehavior at school.
- Students must <u>obey and respect the bus driver</u> at all times.
 - o Students **must remain seated** on the bus at all times, keeping their hands and feet inside the bus.
 - o Students must avoid causing trouble on the bus including teasing others, changing seats, using profanity, engaging in horseplay, etc.
 - o Students are expected to keep the bus clean.
 - o Screaming, shouting, or excessive rowdiness is not permitted.

Bus drivers may make additional rules regarding the bus in order to ensure safe operation of the bus and safe transportation of the children. Failure to follow bus rules may result in the loss of the ability to ride the bus on a temporary or permanent basis. Additionally, property damage to a school bus owned by any parish or city school board, a pupil suspended for such damage shall not be permitted to enter or ride any school bus until payment in full has been made for such damage or until directed by the superintendent of schools.

RIDING A DIFFERENT BUS HOME

No student is permitted to ride another bus or get off at a different stop unless it is with <u>written permission</u> from the parent and approved by the office. If the child is riding home with another student, a note must be **sent by that child**'s **parent confirming** that **permission** has been granted for the temporary change. This change may only occur if space is available on the bus. Permanent transportation changes must be done through the front office in person on a transportation change form. Again, this is for the safety of your child.

CAR RIDER EXPECTATIONS & PROCEDURES

- Please remember that <u>instruction begins at 8:20 in the morning</u>, so car riders should <u>arrive at</u> <u>school no later than 8:17 AM</u>. The gate will close at 8:17 AM.
- If you arrive <u>after 8:17 AM</u>, you will be asked to park in our parking lot and come into the school to check in. Your child will be marked TARDY for the day if check-in time is after the 8:20 AM tardy bell.
- If your child needs to eat breakfast, you should arrive **no later than 8:10 AM**. The cafeteria will close at 8:17 AM to allow all students to eat and get to class on time.
- Students who check in late or leave early will be considered absent or tardy from any subjects they miss.
- Parents/Guardians should **remain in their vehicle at all times**. Duty staff will assist in getting your child in and out of the vehicle. Please understand that this is a safety measure for the security of our children and all those on campus.
- Students who ride home in a car on a REGULAR basis will be issued two official car tags. Only those who ride home in a car on a REGULAR basis will receive a tag. Additional car tags and/or replacement car tags may be purchased through School Cash Online (SCO) for \$2.00.
- The car tag must be visible at all times when picking up your child/children. If you are not able to present a valid car tag, you will be asked to report to the front office to pick up your child. Consequently, you will be asked to wait until the end of dismissal for the child to be called to meet you in the front office for pick up.
- For students who are occasionally picked up, a parent must send a car rider note to school. The person picking up in the carpool must be on the child's emergency contact list, <u>report to the front</u> <u>office BEFORE 3:00 PM</u>, and present an ID before receiving a TEMPORARY CAR TAG. If you do not have a car tag displayed, you will be asked to drive back around to the front office and present proper identification. Your name must be on the child's emergency contact list on the profile sheet or you will not be allowed to check out the child. Consequently, you will be asked to wait until the end of dismissal for the child to be called to meet you in the front office for pick up.
- The black gate will not open until 3:20 PM in the afternoons for cars to line up in the back circle. This is for the safety of our children and our campus.

APSB ATTENDANCE POLICY

State requirements cited in Bulletin 741 indicate that elementary students (K-8) must be present a minimum of 167 days to be eligible to receive credit for the courses taken. For Semester 1 (Aug-Dec) at 5 Unexcused Absences, your child will be referred to the Office of Child Welfare and Attendance. For Semester 2 (Jan-May) at 7 Unexcused Absences, your child will be referred to the Office of Child Welfare and Attendance.

For the complete details about the policy, please refer to our parish handbook. The parish handbook can be accessed at <u>www.apsb.org</u>. Click on the 'Student and Parent' tab, and then click on 'Student Handbooks and Publications.'

- A student may have an absence excused for the following reasons: personal illness, serious illness in the student's immediate family, death in the student's immediate family, medical appointments, religious holidays, and necessary attendance in court. Documentation can be in the form of a doctor's statement, an obituary, or a copy of the legal summons and must be received within 3 days after returning to school.
- A doctor's excuse is required for a student returning after any contagious disease or illness.
- Make-up work or exams will be allowed for excused absences only. The student or parent must make arrangements with the teacher to complete make-up work within three (3) days of his/her return to school. Days missed because of out-of-school suspension are unexcused; work and tests missed cannot be made up.
- Students missing more than 10 unexcused days per year will not be given credit for that year's work. Special cases will be reviewed at the discretion of the principal.
- If your child does not ride the bus, every effort should be made to have your child at school between 8:00 and 8:17 AM. The school day begins at 8:20 AM and your child's education starts at that time. It is very important that your child be at school for the entire learning period.
- If your child arrives at school after 8:17 AM, an adult must accompany the child to the office to sign in. Students who check in late or leave early will be considered absent or tardy from any subjects they miss and a record is kept of all absences and tardies which can be found by logging into your PowerSchool account.
- Any student unable to take part in regular physical education classes for an extended period of time must provide a note from his/her physician indicating the extent of activity in which he/she cannot participate. Physical education is a regularly scheduled class required by the State Department of Education.

ILLNESSES/COMMUNICABLE DISEASES

No pupil suffering from any communicable disease shall be permitted to attend public or private schools in Louisiana. The principal shall exclude any child from the school who is suspected of having any communicable disease, pending an examination and report by a registered physician or health officer. This includes ringworms, lice, pinkeye, and any other contagious disease. Any student sent home from school with fever or any type of viral symptoms should not return to school for at least 24 hours after symptoms cease.

COVID-19 GUIDELINES

For the most up-to-date information on COVID-19, please visit our district website, <u>www.apsb.org</u>,

MEDICATION

As a general rule, the school will <u>not</u> administer medication. However, when the taking of medication at school is necessary in order for a child to attend school, state law requires that certain conditions be met. Parents should consult with the school nurse in order to determine whether or not their child meets the requirements.

ALL MEDICATION must be checked into the office by an ADULT. Students may NOT have in their possession any medication at any time, unless pre-approved by the school nurse and principal. This includes over the counter medication such as Tylenol, cough medicine, vitamins, supplements, etc. Any student that is found to be in possession of prescription or non-prescription medication / drugs at school or on the bus will be suspended regardless of the reason. This includes a parent sending medication to school in a child's belongings when that child is leaving school with a different parent for the night, etc. Arrangement for the transfer of medication in such instances must be made between the parents/adults outside of the realm of school.

ACCIDENTS

Staff members are assigned to duty posts throughout the school day and at every recess. Your child is appropriately supervised in the classroom and all areas of the campus; however, accidents do happen. In the event that an accident does occur, your child will receive immediate attention. For minor scrapes or bruises, first aid trained personnel will assess and treat the child. The school will contact you or a listed emergency contact as soon as possible for more serious injuries. Your child will be made as comfortable as possible until you arrive at school to take care of the matter. In extreme emergencies, the principal or designee reserves the right to take proper action in assuring that the student receives the medical attention that is necessary.

In the event of a bus accident or if a bus breaks down, parents and guardians will be notified by Class Dojo and School Messenger. These communication systems are used by the school to contact parents and guardians through telephone, email, and text message. In the event of a bus accident, this includes a fender bender, parents cannot pull students from the bus until paramedics arrive at the scene to assess students.

DRESS CODE

Oak Grove Primary will follow the Ascension Parish Uniform Policy. This includes the sock policy and <u>solid</u> navy sweatshirts, sweaters, and jackets in the instructional setting. Following the uniform policy helps to maintain order on campus, teaches responsibility, and helps students to follow our school-wide expectations on a daily basis. Any family unable to provide the proper uniforms are encouraged to reach out to our school counselor, Mrs. Tompkins, for assistance.

DISCIPLINE

We believe that it is the ultimate responsibility of the students to control their own behavior and that it is our duty to teach students appropriate behavior as part of our overall educational program. Additionally, it is the daily responsibility of the school to make sure that no single student interferes with the learning of any other student. As prescribed by law, every teacher is authorized to hold every student accountable for any disorderly conduct in the school, on campus, or any street, road, or school bus going to and from school, and during recess (R.S. 17:46) It is the final responsibility of the principal to maintain discipline at each school or any school function. Students at OGP are expected to be familiar with the rules set forth by the Ascension Parish School Board, as defined in the Student's Rights and Responsibilities Handbook and in this school handbook. Ignorance of a rule does not excuse one from the consequences of breaking a rule.

PBIS

Positive Behavior Interventions and Support (PBIS) is a program supported by Oak Grove Primary School in an effort to reward students for following established expectations and rules. Several initiatives have been put in place to address improving attendance, student transitions, dismissal, and arrival. We hope to create a structured, enthusiastic, supportive, and positive atmosphere for learning that will encourage our students to become responsible, respectful, and safe. By establishing relationships with students and teaching them the correct behavior, we hope that PBIS will help us to decrease the number of disciplinary referrals issued to students. Teachers will track students' behaviors (positive AND negative) easily and efficiently through our schoolwide app, **ClassDojo**. The program is based on points, and students can be given positive points for things like being on task, being respectful, participating, and working hard, just to name a few. On the other hand, points can be taken away if students are off task, talking out, unprepared, etc. The goal is to reward desired behaviors and create motivation for students to behave appropriately.

<u>Cash-In</u>

Students will use their positive points to cash in for rewards. Cash-in will be once a month. Parents/Guardians can view all points received or taken away in the app. Students will cash in their points on Tuesdays and reward day is on Thursdays of that week.

<u>Spirit Shirts</u>

Students who achieve a **positive performance of at least 80% for the week** will be allowed to wear our Blue Jay Spirit Shirts or their Blue Jay Squad Shirts on Friday. We encourage parents to monitor Class Dojo daily to partner with us in reinforcing the expectations. Weekly Dojo reports will be sent home by your child's teacher on Thursdays to help keep you informed of your child's weekly behavior and whether your child has earned the privilege of wearing their spirit shirt on Friday.

DISCIPLINARY ACTION

Our goal in discipline is to provide students with the tools needed to appropriately regulate their behavior. Consequences are given to a student with the purpose of changing behavior, not simply as punitive measures. Determination of consequences will take into account the child's age, developmental level, motivation, intent, and previous discipline history. Depending on the offense, the student may receive time out, counseling, loss of privileges, before school behavior clinic, suspension, or may be made to make restitution for their behavior. All consequences will be at the discretion of the administration.

MINOR VS MAJOR INFRACTIONS

Once a student receives 4 "Dojo down" points, the student will be sent to ISSP and receive a minor infraction. A **minor infraction** is low intensity problem behaviors that are violations of school behavioral expectations. Details of the behavior are communicated by the teacher or staff member(s) through Class Dojo. It is documented on a minor infraction form, warrants consequences, and must be signed by the parent/guardian.

Major infractions are problem behaviors of high intensity. These are documented on a major referral form, are reported to the state department, warrant consequences, and must be signed by the parent/guardian. In the event of a major infraction, a phone call will be made to the parent/guardian.

Students should not receive infractions or lowered classroom conduct marks for failure to do homework, not having supplies, not returning graded papers, for other academic concerns or for things that are the parent's responsibility. Teachers will call or email parents when students do not have supplies or when signed notes/papers are not returned in a timely manner. Students that habitually do not have supplies or who fail to return graded papers will be referred to the principal or designee for a conference with the parent, child, and principal or designee, in an effort to determine why and resolve the situation.

We would like all of our families to join our school community on **Class Dojo**. Please contact the school if you have any questions or concerns.

TIME-OUT

Time-Out is NOT a suspension. This is typically used as a way to redirect behavior resulting from <u>minor</u> offenses. Students may be assigned to Time-Out for a short period of time (no more than 30 minutes). These students will report to the ISSP room for the required length of time. Students are allowed to make up any work missed while in Time-Out. The goal of time-out is to provide time away from the environment where the behavior is occurring, allowing time for the child to reflect, regroup, and problem solve ways to appropriately move forward.

COUNSELING

As previously stated, the goal of discipline is to equip students with the tools necessary to regulate their behavior. Depending on the offense, a student may be required to conference with the counselor in an effort to help students gain tools needed for self regulation and/or support for underlying issues.

LOSS OF PRIVILEGE

Minor and major infractions may result in the temporary loss of student privilege. Some examples of privileges a student may lose:

- All-Star Friday On Fridays, PE classes play competitive games to culminate the week of lessons. Students may lose 5 or more minutes as a result of an infraction.
- Silent Lunch Students may lose their privilege to visit with their peers during lunch. This time will be used to encourage reflection on how the child may work to improve their behavior moving forward.

COMMUNITY SERVICE*

Minor and major infractions may result in the student being assigned community service where they will perform an act of kindness as restitution for their behavior. The goal of this consequence is to build empathy and allow the student to make amends for their actions. Some examples are:

- Cleaning/organizing an area of the classroom
- Wiping tables in the cafeteria
- Picking up trash around campus
- Assisting a staff member with a task

*A child may be assigned to a before-school behavior clinic if a parent/guardian objects to their child participating in community service.

BEFORE-SCHOOL BEHAVIOR CLINIC

The purpose of the before-school behavior clinic is to provide time for reflection and restorative practices in an effort to equip students with the tools necessary to meet the behavioral expectations at school. A parent or guardian must bring the student to the front office **by 7:40 AM**. If a student is late, he/she will be rescheduled for their behavior clinic on the next school day. Students will <u>not</u> be allowed to ride the bus on mornings assigned to before-school behavior clinic.

IN-SCHOOL SUSPENSION (ISSP)

The purpose of the In-School Suspension Program is to provide a sequence of intervention strategies designed to prevent and/or minimize the frequency of inappropriate behavior.

- 1. As such, an In-School suspension is counted as a suspension toward expulsion. Notice in writing must be provided as outlined in the Student Rights and Responsibility Handbook.
- 2. A parent or guardian must accompany the student and sign in to the ISSP room by 9:00 AM (through the front office). The parent must also sign out and pick up the student in the front office at 2:30 PM. Students may only be accompanied to and from school by a parent or guardian. Students will <u>not</u> be allowed to ride the bus on days assigned to ISSP. Exceptions to this policy must be presented to the Principal for approval.
- 3. If a student is unable to attend school due to an emergency or illness, it will be the responsibility of the parent to notify the school (391-6764) that day prior to 8:15 AM. The suspension will then be extended and a normal absentee recorded for that day. If notification is not received from the parent

by the time specified, a designee will attempt to contact the parent to discuss changes made to the suspension so that the student is not placed on an Out of School Suspension (see below).

- 4. At Oak Grove Primary School the ISSP time is 9:00 AM 2:30 PM. Students must remain for the entire duration of the day (9:00 AM 2:30 PM). A parent or guardian must sign the student in at <u>9:00 AM</u> and sign him/her out at <u>2:30 PM</u>. Students in ISSP are not allowed to ride the school bus in the morning or afternoon.
- 5. Students will be counted as present for all days in the ISSP room, and will receive credit for all work done in the program.
- 6. The child will remain in the ISSP room for the school day(s) assigned and not be allowed to participate in recess or other settings with their peers. The student will be under the supervision of the ISS Presider, Mrs. Sandy Harvey, for the duration of the suspension.
- Students should bring all textbooks and materials needed to the ISSP room. The student's teachers will send work assignments. A student must complete all assignments before returning to the classroom.
- 8. Students referred to the ISSP are suspended students, therefore will not be allowed to participate in any extracurricular activities for the duration of their suspension.

OUT-OF-SCHOOL SUSPENSION

Students receiving out of school suspension are not allowed on the campus of any Ascension Parish School for those days, including extra curricular events. The student will receive a zero on all work missed during the suspension period. An Out-of-School School suspension is counted as a suspension toward expulsion. Notice in writing must be provided as outlined in the Student Rights and Responsibility Handbook.

SCHOOL VISITORS

Oak Grove Primary School strives to provide students, parents, and other visitors with a safe, warm, and welcoming environment. Parents are encouraged to participate in school events and visit the school often. In order to maintain order and protect the safety of our students the following rules exist:

- 1. Visitors **will not** be granted entry to school and/or will be asked to leave if any of the following should occur:
 - a. Wearing of clothing that promotes sex, drugs, alcohol, violence, or hatred
 - b. Use of inappropriate language
 - c. Making threats or impolite treatment of students, staff, or other visitors
- 2. <u>All</u> visitors are required to sign in through the front office and wear a visitor's badge. You will be asked to show identification in order to be admitted to the school or to check your child out of school. Please do not be offended or angry if asked to do so. We are only doing so to protect your child. All visitors must be known and accounted for.
- 3. All visitors must use the restrooms designated for visitors. Please do <u>not</u> use the restrooms designated for students.
- 4. Please help our students to be responsible about bringing ALL items needed for the school day. It is very disruptive when we must call classrooms many times a day for students to pick up items that

were forgotten at home. Before coming to school, please consider the item you are bringing for your child and whether it is truly needed for the day.

- 5. No outside food, other than a bagged lunch prepared at home, may be brought into the cafeteria to be consumed by the students or visitors. Visitors are welcome to purchase the meal prepared by the school cafeteria or bring a nutritious lunch from home. VIOLATION OF THIS RULE COULD RESULT IN OUR SCHOOL LOSING FEDERAL FUNDING. Please be cooperative in this matter.
- 6. Parents/Guardians are allowed to have lunch with students on **Tuesdays and Thursdays** with a **limit of two guests** per student. Lunch is an important time for our children to learn to socialize with their peers. The following guidelines will apply to lunch visitation:
 - a. Parents/Guardians must check in (get a badge) and wait in the front office before going to the cafeteria.
 - Please refrain from using or allowing your child to use electronic devices during your lunch visit. We encourage you to communicate and interact with your child during this time.
 - c. Say your good-byes while in the cafeteria. Parents/Guardians are <u>not</u> allowed to walk the child back to the classroom.
- 7. If you need to pick up your child during the school day, you must come in and sign your child out. Before a child is released to an adult other than a parent/guardian, school personnel will check to verify that the adult is listed as acceptable by the parent/guardian by note or on the student profile sheet and is at least 18 years old.
- 8. Students may <u>not</u> be checked out of school during the last thirty minutes of school (3:00-3:30) unless it is an extreme emergency.

COMMUNICATION

We believe that maintaining open lines of communication between school and home is of utmost importance. If you have questions or concerns regarding your child, please follow our protocol of contacting your child's teacher first, either via email or by calling our office at (225) 391-6750. The fastest and most efficient method for communicating with teachers is email or Class Dojo. The teachers will not interrupt instructional time to send and receive messages or emails; however we strive to respond in a timely fashion, within at least 24 business hours. Parents are encouraged to check their child's agenda or VIP each day for notes from the teacher and to look for graded papers each week to be reviewed, signed, and returned to school within three school days.

CONFERENCES

It is the goal of the faculty and staff of Oak Grove Primary to work with students and parents as a team. There will be two assigned parent-teacher conference dates. Parents are encouraged to attend these conferences to discuss any academic concerns and learn about his/her child's progress. These conferences are scheduled in 15 minute increments. Any concerns to be discussed beyond that length of time must be scheduled for a different day. At any time during the school year, parents may request a conference with a teacher and/or administrator. This may be done by calling the school office at (225) 391-6750 or by sending a note, Class Dojo message, or email. All conferences must be scheduled at an appointed time. If you are unable to attend a scheduled conference, please call in advance to cancel and reschedule. We ask that you present any questions or concerns to your child's teacher before contacting administration.

PEACHJAR

A school calendar will be uploaded to PeachJar at the beginning of each month. This includes important school information. Please make sure you look over the calendar carefully and post it in a place where you can refer to it often. Lunch menus, meal prices, school events, early dismissal dates and other important information is included on the monthly calendar. Fliers for various other opportunities, events, and activities are added to PeachJar on an ongoing basis. You can access PeachJar through our school website.

NEWSLETTERS

Weekly newsletters will be sent home by the teacher each Monday (some grade levels may share the weekly newsletter through digital platforms in lieu of sending home a paper copy). Newsletters will include information about what skills the students are focusing on for the week. Additionally, assessment dates and other important classroom information can be found on the teachers' weekly newsletters.

WEBSITES

Websites maintained by both the district and our school can be found at <u>www.apsb.org</u>. Our school website may be accessed by clicking on our school name under the listing of primary schools. School information, as well as students' grades (**PowerSchool**), may be accessed from the Oak Grove Primary homepage. To set up PowerSchool access, please contact our guidance clerk, Mrs. Jackie Taylor, at jacqueline.taylor@apsb.org.

CLASS DOJO

This year Oak Grove Primary is using a school wide app called *ClassDojo*. ClassDojo is a web based program which allows school wide and classroom communication immediately. You can download the **Class Dojo** app via the app store. Create a login and find "Oak Grove Primary School." Once students are placed in a class you will receive an email to join the classroom.

E-MAIL

All employees of Ascension Parish Schools have an assigned email account for communication. In most cases, the email address contains the person's first and last name in the following format: <u>firstname.lastname@aspb.org</u>

We encourage you to reach out to your child's teacher by email should you have any questions or concerns. Please allow the teacher at least one school day to respond to your message, as teachers have little time to communicate during the school day.

OTHER

You may also obtain information via School Messenger call-outs, emails, our school's official Facebook page (Oak Grove Primary School OGP), as well as our parent volunteers' Facebook page (Oak Grove Primary Parent Volunteers). We discourage the use of personal cell phones between a teacher and parent. We hope that by utilizing a variety of media, we will be able to meet the communication needs of all our families.

BIRTHDAYS AND OTHER SPECIAL DAYS

As part of our morning announcements, birthdays of students and staff are recognized each day. Students are invited to come to the front office at the end of the announcements for a special treat. In order to protect our valuable instructional time, the following rules must be adhered to:

- Students are <u>not permitted</u> to receive deliveries of flowers, cookies, balloons, or other gifts during the school day.
- Birthday parties are NOT permitted during school hours. This includes sending cupcakes, cakes, or other treats to the classroom or cafeteria.
- Students may not distribute party invitations at school unless the entire class or all of the boys or all the girls are invited.
- Employees may not give out the phone numbers or addresses of other students to parents or children. (They may send a class list of children's first names only)
- Class parties are limited to CHRISTMAS and EASTER only. (district policy)

PERSONAL ITEMS

- All personal items must be labeled with the student's name. Anything that is lost or found should be reported to the teacher. Anything found should be placed in the LOST and FOUND box. Students should check for lost items at recess or before school. All items in the LOST and FOUND that are not claimed by the last day of the school year will be donated to Goodwill or Fellowship Center.
- Students are <u>not</u> permitted to bring toys, gadgets, electronic devices, or other non-instructional items to school. Such items will be confiscated and parents will be required to pick them up from the school. The school administration will be the final interpreter of any questionable items.
- Cell phone usage by students is prohibited. Cell phones will be confiscated and must be claimed by the parent from the principal. The school is <u>not</u> responsible for the loss of non-permitted materials at school.

<u>MONEY</u>

- All checks should be made out to Oak Grove Primary School and include your address and phone number.
- Parents should never be asked to make out checks payable to teachers.
- All correspondence asking for money from teachers should have the approval of the principal and should have the principal's initials.

- Teachers are not permitted to accept payment for tutorial services provided for the students they currently teach and assign grades to. Teachers may tutor students for pay if they do not currently teach or assign those students grades.
- Concerns about excessive or unusual requests for money by the school should be directed to the principal. These concerns may be made anonymously if the parent so desires.

<u>GRADES</u>

Teachers shall be responsible for evaluating each student's achievement/performance in all subject areas in accordance with the policies and procedures of the Ascension Parish Pupil Progression Plan.

HOMEWORK

We understand that life is busy with football, dance, cheer, soccer, church, and much more. Our students have also worked very hard all day at school and need time to be children. We do not want families spending hours at night on homework, and more importantly, we do not expect you to have to teach your child something they do not understand from class. Homework is for practice because, as we all know, practice makes perfect. Teachers will <u>not</u> be sending home new learning with students for homework. We are asking that you provide your child(ren) the time, space, and support to complete homework...not to teach it. If your child is not able to complete assignments in a reasonable amount of time, it is important

that you relay that information to the teacher so that appropriate interventions can be put in place in order for your child to experience success. Simply write a note or send an email to your child's teacher informing her of the issue your child is having. <u>Your child will **not** be penalized for missing homework.</u>

If your child does not have homework, encourage them to read, study notes, or show you what they learned at school each day. Ask students questions and encourage them to talk about what they are doing at school so that you may help them apply this learning to real life scenarios. This will help the child to see the importance of the skills they are learning.

HONOR ROLL

Oak Grove Primary recognizes students in grades 2-5^{*} for their academic achievements at the end of each grading period.

- Principal's List 3.61 to 4.0 with no C's
- Distinguished Student's List 3.0 to 3.60 with only 1 C allowed

*First grade students will be recognized during the third and fourth nine weeks only.

SCHOOL-SPONSORED EDUCATIONAL FIELD TRIPS

The purpose of the educational field trip is to extend the learning experience of our students outside of the classroom. The child's teacher will provide information regarding all scheduled field trips, along with a permission slip to be signed by the child's parent or guardian. Depending on the cost and destination of the educational trip, families may be asked to cover the child's expenses. The goal when planning educational trips is to keep the cost low enough that all students can participate. If your family is experiencing hardship, please reach out to your child's teacher or the school for assistance.

All school rules apply to field trips and other school sponsored functions. Any child in violation of the rules may be subject to disciplinary action. Upon request of the principal, parents may be required to attend their child's field trips or school sponsored activities. It will be the responsibility of the parent to assign an adult to accompany the child if he/she cannot attend. Please adhere to the profile sheet requirements for anyone attending a school-sponsored activity in the absence of the parent/guardian..

CAFETERIA

The Ascension Parish School Board has adopted a Prepayment Policy for full and reduced price students purchasing school meals. The following procedures will ensure that we are in full compliance of this policy.

• Oak Grove Primary offers a complete breakfast and lunch meal program. Students have the option of eating the meal provided by the cafeteria or bringing a bagged lunch from home. No outside food,

other than a bagged lunch prepared at home may be brought into the cafeteria to be consumed by the students. A bagged lunch does not include food items that must be heated, nor does it include items that are purchased from restaurants or fast food chains. In addition, carbonated beverages are not allowed at school. <u>VIOLATIONS OF THESE RULES COULD RESULT IN OUR SCHOOL</u> <u>LOSING FEDERAL FUNDING.</u> Please be cooperative in this matter.

- Application for free or reduced lunch must be filled out for those participating in the program. These applications are given to each family on prep day and again on the first day of school by homeroom teachers. It is important that all information be provided on the application in order for it to be processed.
- Breakfast and lunch are served daily. All students will eat lunch with their class. Students must refrain from loud talking, running, horseplay, hitting or teasing one another in the cafeteria. Additionally, students are responsible for keeping the area around their place clean. Any student deliberately dirtying the cafeteria will be asked to clean the cafeteria for a period of time assigned by an administrator.
- All car riders that eat breakfast are expected to be in the serving line by 8:10 AM so that adequate time can be provided for them to eat. The bus driver will notify the school in the event that arrival time to the school is later than 8:10 AM. In such cases, those students that ride the bus will be granted permission to eat breakfast.
- Sharing of food and condiments brought from home is strictly prohibited. Please understand that this is for the safety of our students. Violation of this rule may result in disciplinary action.
- All school meals must be paid in advance of the meal service. The cafeteria's computer software allows for prepayment of meals by the day, week, month and even year. Prepayment of meals often results in the students spending less time in line. Parents should access My School Bucks on the district website to prepay for meals. Meal payment notices sent home with the students serve as a reminder to send money for school meals. In an effort to ensure that every child receives a meal, the Child Nutrition Program will extend a three-day grace period to students in Pre-K 8th grade with no money in their accounts. This is for lunch only. Breakfast will not be served if there is no money in the child's account. The parent/guardian will be notified of the zero balance and reminded to send money to be deposited into the student's account. After the third day of the grace period, balances must be paid in full or the student's plate will be pulled and an alternate lunch will be provided. Contact the school cafeteria manager to acknowledge and/or make arrangements for payment of the lunch fee. Check or money orders will be accepted as payment of meals or you may utilize the online payment system. An established cut-off date for acceptance of checks for the last month of school will be determined each year. Please check your school calendar for the cut-off date in May. If a student transfers within the parish, the student's lunch account balance will also transfer.
- Snacks will be sold 2-3 days per week at the cost of \$1.00 per snack. If the child has money in the lunch account, they will be allowed to use it after purchasing a full meal. Only students who purchase lunch in the cafeteria will be allowed to purchase snacks. Parents may also send cash in lieu of using money from their lunch account. If you do not want your child to purchase snacks, you must directly send a request in writing to the school, attention Ms. Mona Nelson.
